2. The applicant is directed to ensure that no annoyance is caused to the general public.
3. The applicant/contractor is directed to display proper signages, indicating flash light for diversion/closure/work in progress with flash lights for awareness of the motorists, pedestrians and other road users particularly during night.
4. The applicant/contractor is directed to depute security guards/traffic marshals with retro reflective jackets for diversion of traffic.
5. The applicant/contractor is directed to inform exact date of commencement of work to Traffic Cell, Vasco well in advance.
6. The area around the culvert should be properly barricaded and illuminated with red light, glowing/reflective tapes to prevent accidental falling of pedestrians, motorists, etc.
7. The applicant/contractor is directed to approach In-charge Traffic Cell, Vasco for deployment of Traffic Police, if required, on payment of requisite charges as per prevailing Government rates.
8. The applicant/contractor is directed to publish an advertisement well in advance in the local newspaper about the date of closure of road for commencing the said work to create awareness among the general public.
9. If any untoward incident arises due to poor barricading/non-applying of glowing/reflective tapes then the concerned contractor/PWD authorities shall be held responsible for the same.
10. The applicant/contractor is directed to obtain prior permission from other concerned competent authorities.
11. The repair work should not be carried out during school hours and peak traffic hours, and extra manpower should be engaged to complete the work at the earliest.
12. The applicant/contractor is directed to hire sufficient machinery and manpower and to complete the desired work within the stipulated time frame.
13. The applicant/contractor is directed to ensure that there are no leftovers on the road/shoulder of the road after the completion of the work.
14. All rules and regulations in force should be adhered.
15. The Senior Officer, PWD, National Highway, Government of Goa not below the rank of Executive Engineer should supervise the work.
16. The Senior Representative of the consultants engaged in execution of the above work should supervise the work at the time of execution.
17. Necessary permissions and clearance should be obtained from the owners of land Public Works Departments, National Highways of Goa State Government before commencement of the above work.
18. Absolute care should be taken that no damage of any kind is caused during the course of excavation. The Executing Agency and Supervisory Agency should take precautions in this regard.
19. A detailed report should be submitted to the District Magistrate, South regarding completion of the work successfully.
20. Extra care should be taken while carrying out the above work and no damage should be caused for the other utilities.
21. If the applicant/contractor fails to abide by the conditions laid above or if the NOC issuing authority feels so, the NOC is subject to cancellation/revocation at any given time.

Given under my hand and seal of this office dated this 23rd day of March, 2015.
